

The Munoz Family

Missionaries in Mexico

SINCE 2019

September/2021

Dear Pastor and Church family,

We are on furlough! In the **month of July**, we were in California at my father-in-law's house in Oceanside, CA. During our time there, we visited many churches in the state of California. **God opened the door for us to visit new churches** and also to be with friends from Bible College, such as Pastor David Sloan, in Santa Clara, CA.

With Pastor David Sloan and his Family

During the **month of August**, we visited many churches in Oregon, Minnesota, Iowa, Illinois, Indiana, and Texas. We saw a good response and **we pray that many of them can take us on as their missionaries.** 🙏

At the end of August, we arrived at Longview, TX. This will be our base for the next **nine** months. Our three oldest children enrolled at **Texas Independent Baptist Seminary**, here in Longview. Our four young children have also enrolled at the Christian School that the church has. In all this, **we thank God for His provision.** We are especially

grateful with a church in Albuquerque, NM that **helped us to cover our children's school expenses.**

Thank God **the church in Puebla is going well.** **Missionary Kevin Taylor** is helping us while we are gone. He is preaching on Sunday mornings. **We also have a role of 12 men in our church** who are preaching on Sunday nights. My brother Elimelec is also helping while we are gone. He is doing a marvelous work, directing hymns and leading the church as my assistant. I am very thankful for my brother. He is doing an excellent job!

Two weeks ago, we started classes at our **Christian school** and **Bible institute** in Puebla. Thank God 14 young people entered the institute and are preparing to serve the Lord.

We thank God that some churches have already started supporting us and now **our support level is at 37%**. If your church still does not support us and would like us to visit you to present our burden for Mexico, **we would love to visit you.** This is the number on how you can reach us: 011-52-222-449-6155.

Thank you for your prayers and support!

Arturo Muñoz Jr.
